*** What is a "Batch Code" on my credit card, and where can I find it?**

Your V-Code is a 3 or 4 digit number printed on your credit card. On an American Express, it is 4 digits printed on the front of your card, near the embossed credit card number.

On a Visa, MasterCard, or Discover, it is an additional 3 digits after your account number on the back of your card, above your signature.

Completed orders may be faxed to: +61 2 9908 1422

**** Goods will be delivered by email upon receipt of payment ****
